

# VAHRMM 2010

## Call for Presentations

Presentation proposals are being accepted for VAHRMM 2010 conference, October 27<sup>th</sup>-29<sup>th</sup> in Virginia Beach. All abstract submissions must meet the proposal requirements outlined below and are due to VAHRMM no later than March 31, 2010.

- Brief biography of speaker, no more than 100 words.
- Presentations should be one hour in length, including time for question/answers.
- A power point presentation may be submitted at this time; in lieu of full power point being prepared at this time, an outline may be provided, and must include an introduction statement of what the primary goals and objectives of the presentation will be. If chosen, completed power point will be due to Education chair by a date determined in your letter of acceptance.
- If more than one speaker is included in presentation, each must be disclosed at time of proposal (no more than two speakers on one presentation)

**Please provide the following:**

**Subject matter and relevance:**

---

---

---

**Presenter expertise (include years of experience, and where, i.e. hospital based, consulting, etc)**

---

---

---

**\*\*IF there is a topic that you would find of particular interest, you may submit suggestions rather than proposal to do presentation. If we know what our membership will find most beneficial, we will seek out qualified presenters.**

**Suggestion for topics (and/or any preferred speakers)**
